Drivers Briefing Fun Tournament Lime Rock (Classic)

The Servers in the Tournament Section are Online and visible in Time. Not like in the League Session, that you see it already long before. (Will be shown exactly in Time)

Take one of the 3 Servers which is shown and use the Password = rotax01

How to Join Tournament:

Server 1/ Round 1: This Round is for every Driver required.

How do I reach Round 2?

- You have to be on the Server from Round 1 (3 Servers 150 People are possible)
- You have to set a Time under 1:00.xxx
- Your Time has to be under the Top 60 of all Servers

How do I Reach The Final?

- You have to have less than 20 Incidents
- You have to be in the Top 20

In Round 2 the Lapped Drivers will be not removed. But the Race Controller will have a look Live in the Races. If the Lapped Driver doesn't let the **Leaders pass immediately** (will be removed)

USE the Button F3 in Cockpit; the Black Box will show you who is a Leader and you is lapped.
